

## Printable Fact Sheet

### Who?

Katherine is a licensed professional school counselor with a Masters degree in Counselor Education and 13 years of experience working in school systems in Virginia and Ohio. She has a valuable blend of training that serves her well when working with parents and families both in and out of schools.

### What?

Katherine provides consultations to parents and families who are looking for support on their parenting journey. She offers one-on-one consultations to parents on a variety of topics (anxiety, ADHD, general behavioral concerns, help with routines/schedules or screen time issues, etc.). Katherine also offers consultations to review a variety of school documents.

### Where?

Katherine's consultations are all virtual appointments. However, if you do not have access to a webcam or if you have limited internet service, you can meet over the phone.

### When?

Katherine offers consultation appointments on most weekdays. If you do not find a time that works with your schedule, let Katherine know and she will find something that works!

### How?

Go to Katherine's website [www.katherinewaltersconsulting.com](http://www.katherinewaltersconsulting.com) and fill out your information to get started scheduling a free introductory phone call!
